

AGENDA: Roundtable 2 (October 6, 2020)
Multi-stakeholder Dialogue
Theme: Future of Work

Work stream 1: Access to Good Quality Work and Social Protection, Rights and Benefits

- Welcome & Introduction

- **Topic 1: Social dialogue, worker's organization and collective bargaining**
 - How can we stimulate social dialogue & worker representation?
 - What are good practices around Europe that we can draw on
 - Worker representation by trade unions – advantages and pitfalls
 - How do we make sure geographically dispersed workers are properly represented?

- **Topic 2: Algorithmic Management**
 - What are the main challenges posed by algorithmic management and how can we address them? (e.g. algorithmic nudging, discrimination)
 - How can transparency and clarity be improved?
 - Who should be held accountable & how can policy aid in it?
