

DSA Workshop
July 30th, 2020
11am-12pm via Zoom

The purpose of the workshop is to get clarity on the public consultation regarding the Digital Services Act, which was launched by the Commission in an effort to gather evidence and identify issues that may require intermediation at the EU level. The public consultation runs until September 8th. During the workshop the Commission will explain in more details the part of the DSA that concerns online platforms. More information on the public consultation is available [here](#).
