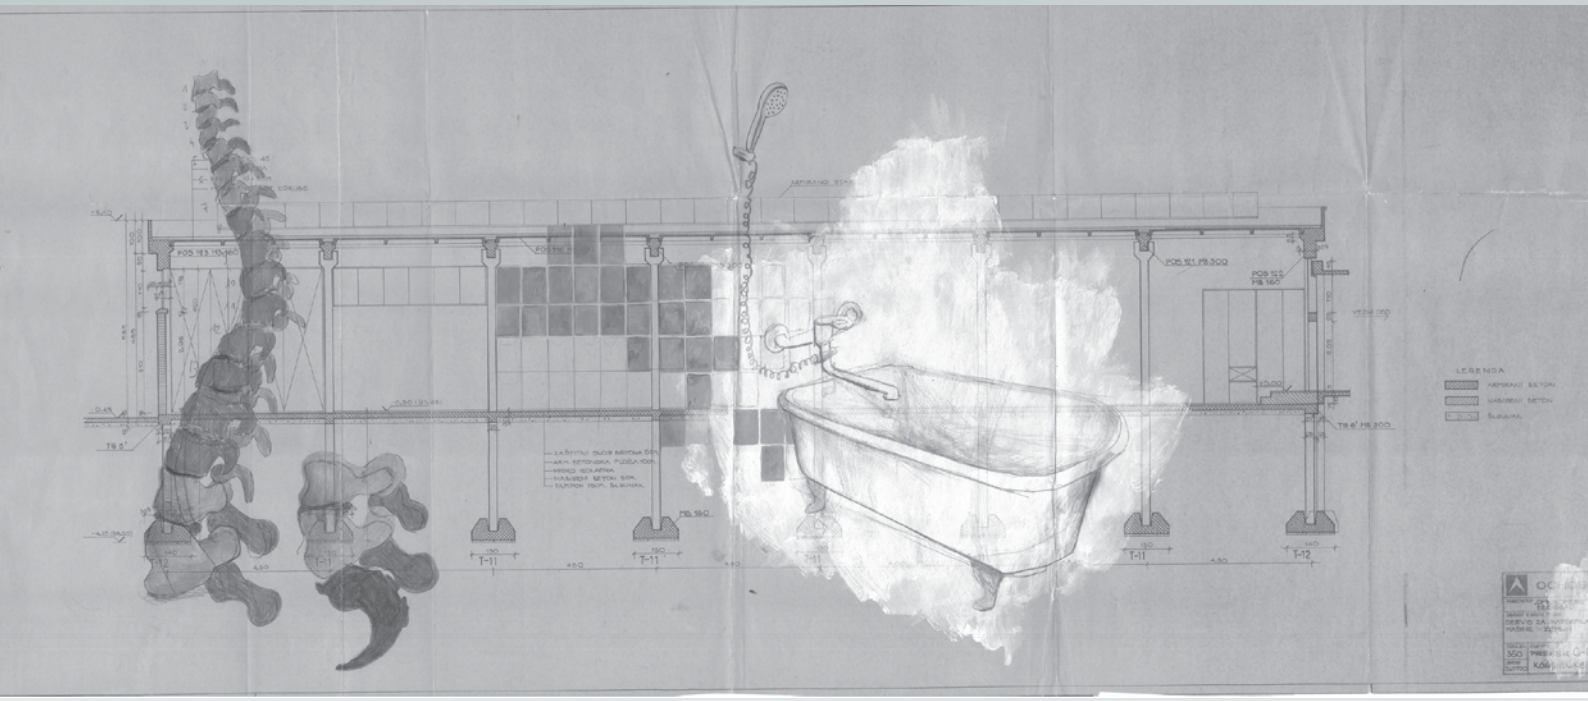
OUR EXHIBITION

On the **22nd of May** a special preview of the conference exhibition will take place at **TransformArt Gallery**, Svetog Save 8, Belgrade at **12:00 – 13:00h**. This guided tour will feature the artist Nemanja Golijanin and our Art Director Ivan Šuković.

The exhibition, ”Lunch Break”, will **officially open at 19h on the 23rd of May**, and delves deeper into the context of social processes, where platform jobs (both on location and online) are represented through art in a sarcastic and witty manner, occasionally reflecting on the cruelty and absurdity of this form of employment.



ABOUT THE ARTIST

Nemanja graduated from the Faculty of Fine Arts in Belgrade, Department of Painting. As a result of his achievements in figurative drawing research, he received a scholarship for the Faculty of Fine Arts at the International School of Painting, Drawing, and Sculpture in Italy. After completing his studies, he continued to exhibit both domestically and internationally. He is a co-author on artistic projects at the Cluster Art Platform. He lives and works in Belgrade.
